Hotel Mercure Warszawa Centrum, ul. Złota 48/56,00-120 Warsaw

Welcome!

We are happy to welcome you at the 10th edition of the research conference on evidence-based approach in Erasmus+ and European Solidarity Corps. The venue will take place in Warsaw with around 100 participants expected to join.
Since 2017 the event has been providing an excellent platform for researchers and National Agencies' staff involved in research activities to learn about current studies in the field of formal and non-formal education and mobility programmes, share research tools and good practices, and to create networks for future joint research activities of National Agencies.
We hope that our research conference will be a good occasion to work and discuss as well as draw from networking opportunities.

Public transport and taxi

Warsaw is well connected thanks to its developed public transportation network. We recommend using the following transport options:

metro | bus/nightbus | tram | taxi/Uber/Bolt

Public Transport

Various types of public transport tickets are available, which can be purchased either online or at ticket machines located at metro stations and bus or tram stops. For buses, tickets can also be purchased and validated directly on the vehicle.
It's important to note that all tickets must be validated before use. For buses and trams, this can be done by using the validation machines on board. In the metro, tickets should be validated at the gates before entering the platform.
A useful application for navigating public transport in the city and purchasing tickets is **Jakdojade**. It provides real-time information on public transport routes and allows you to buy tickets. You can download it here:
Google Play Store: Jakdojade: public transport; **Apple App Store:** Jakdojade –Timetables
More information on public ticket purchase and validation can be found on the official website of Warsaw Public Transport under the ticket tariff section: Ticket tariff – Warszawski Transport Publiczny.

Taxi services

Taxis can be easily ordered via the Uber or Bolt applications, which are available for download here:

- Bolt: **Google Play Store:** Bolt – Request a Ride, **Apple App Store:** Bolt – Request a Ride

Getting from the airport to Warsaw city centre

By train

TThere is a number of available train connections between the Chopin airport and the centre of Warsaw (approx. 25 min.). You can take any train that stops at Warszawa Centralna station (approx. 300 m from the Hotel Mercure Warszawa Centrum, where the venue takes place) or Warszawa Śródmieście station (approx. 600m from the hotel, no facilities for the disabled). The cost of a single ticket is 4,40 PLN (approx. 1 EUR).

By bus

Alternatively, you can take a bus no. 175 directly from the Chopin airport to Warszawa Centralna station (approx. 300 m from the hotel Mercure, where the venue takes place). The journey takes approx. 45 min (depending on the traffic). The cost of a single ticket is 4,40 PLN.
If you take public transport (train or bus) we recommend that you buy single ticket and validate it on board. Depending on vending machine, the ticket looks as one of indicated below:

By taxi

For safety reasons we strongly advise you to use licensed taxi services offered at Warsaw Chopin Airport. Taxi tariffs should be clearly displayed in the car window. You can also request a ride with Uber/Bolt/Taxify. They operate from official pick up points in front of the arrival gate. The cost of the ride to the city centre should not exceed 15 EUR.
